Angelina County Waste Management Center

WE ARE NOT RESPONSIBLE FOR ACCIDENTS

I am requesting that Angelina County Waste Management Center provide me assistance in unloading my vehicle, trailer, etc. I understand that the Waste Management Center may use heavy equipment to help with the unloading and the possibility of damage to my vehicle, trailer, etc. or damage to their equipment is remote, but possible. I further understand that the Waste Management Center is not responsible for any damage to my vehicle, trailer, etc. and that I may be responsible for any damage to Waste Management Center personnel and equipment, that may happen in the unloading process.

We reserve the right to refuse pull offs in case of rain or muddy conditions.

Pull offs must be rigged with a chain long enough to have at least four feet of overhang with a hook on the end of the chain.

Pull off customers must provide their own broom to sweep off their trailer after pull off has been completed.

For each additional copy of this form there will be a fee of $5.00.
