**REQUEST TO MOVE FORWARD WITH PREVIOUSLY-ABATED CASE
(CDC MORATORIUM)**

I, Plaintiff, do wish to proceed with this case which was previously abated under the Supreme Court’s Emergency Orders related to the CDC Moratorium.

- I request this case to be set for an eviction trial.
- There is already a judgment for possession in this case, and I request issuance and execution of a writ of possession.

Acknowledgment:

- I acknowledge and understand that there is a federal eviction moratorium issued by the CDC, currently scheduled to expire on June 30, 2021.
- I acknowledge and understand that this moratorium creates civil and criminal liabilities for landlords who evict tenants who are protected by the order.
