

Notice of Proposed Radio Communications Towers

Angelina County hereby submits notice of its intent to construct 2 radio communications towers for law enforcement/fire/public safety services serving the Lufkin/Hudson/Huntington/Diboll/Zavalla communities and rural areas of the county. Locations and specifications for the towers are as follows:

Lufkin Tower – Located at the Angelina County Law Enforcement Center (County Jail site) at 2311 East Lufkin Avenue in Lufkin at Latitude 31-20-23.1 N, Longitude 094-41-47.2 W. The structure will be 134.1 meters AGL in height, marked and lighted in accordance with FAA Style E specifications. Form 854 File Number is A1095816.

Zavalla Tower – Located at the Angelina County Commissioner Precinct 4 Barn at 200 County Barn Lane in Zavalla at Latitude 31-09-09.0 N, Longitude 094-22-40.6 W. The structure will be 134.1 meters AGL in height, marked and lighted in accordance with FAA Style E specifications. Form 854 File Number is A1095817.

Interested members of the public may review the application by going to the FCC Applications Website and entering the Form 854 File number for the site(s). Interested members of the public may raise environmental concerns about the proposed structure by filing a Request for Environmental Review with the Federal Communications Commission. The Commission strongly encourages a party seeking to file such a request do so online and instructions for making such filings can be found on the FCC's Environmental Request page at www.FCC.gov. Mailing address for filing a paper copy is: FCC Request for Environmental Review, Attn: Ramon Williams, 445 12th Street SW, Washington, DC 20554.
