**NOTICE OF APPLICATION AND PRELIMINARY DECISION
FOR MUNICIPAL SOLID WASTE PERMIT MODIFICATION**

PERMIT NO. 2105A

APPLICATION AND PRELIMINARY DECISION. The Angelina County Waste Management Center, P.O. Box 1862, Lufkin, Texas 75902-1862, operating a municipal solid waste landfill, has applied to the Texas Commission on Environmental Quality (TCEQ) for a permit modification to authorize certain changes in the landfill Site Operating Plan as required by Title 30 Texas Administrative Code (30 TAC), Chapter 330, Subchapter D. The facility is located approximately 6 miles south of Lufkin, Texas on FM Highway No. 58 in Angelina County, Texas. This application was submitted to the TCEQ on July 20, 2006.

The TCEQ executive director has completed the technical review of the application and has prepared a draft permit modification. The draft modification, if approved, would establish the conditions under which the facility must operate. The executive director has made a preliminary decision that this permit modification, if issued, meets all statutory and regulatory requirements. The permit modification application is available for viewing and copying at the TCEQ Region 10 Office, 3870 Eastex Freeway, Beaumont, Texas 77703-1830 and at the Angelina County Waste Management Center office at 7521 FM 58, Lufkin, Texas 75901.

Box 13087, Austin, Texas 78711-3087 within 23 days from the date of this mailed notice.** After the deadline for public comments, the executive director will review and consider the comments. The executive director is not required to file a response to comments. **If approved, notice of issuance will be mailed to everyone who submitted public comments or requested to be on the mailing list for this application. If comments are received, the mailing will also provide an explanation of the opportunity to file a motion to overturn the executive director's decision.**
