Angelina County Registered Voters

Voters:

The mass mail out for 2026-2027 voter certificates has been delayed by the redistricting of the U.S. Congressional Districts in Texas. Angelina County is affected by the district change county wide.

The U.S. Supreme Court granted a temporary administrative stay of the district court's injunction. As a result of the Supreme Court's order, the 2025 Congressional map remains in effect at this time. Angelina County's district number has changed from 3 to 36. We are processing the changes and will be mailing the new cards out before the end of December.

Thank you
